Dear Dr. Yetley:

Notice is hereby given pursuant to the requirements of Section 403(r)(6)(21 U.S.C. 343(r)(6) of the Federal Food, Drug and Cosmetic Act of statements of nutritional support which have been made on the label and/or in the labeling in connection with the marketing of the dietary supplement DAILY HERBS ENERGY. DAILY HERBS ENERGY was first marketed with these statements of nutritional support on Monday, April 5, 1999. The statements of nutritional support are as follows:

"Promotes mental alertness and physical stamina"

"Protect yourself against fatigue associated with everyday stress with a complete formula that combines clinically tested ingredients: **Korean Panax Ginseng, Kola Nut, and Guarana.** These ancient Chinese herbs have been shown to enhance physical, mental, and emotional balance by increasing oxygen-carrying red blood cells and immune-strengthening white blood cells, as well as eliminating toxins from the body. A combination of **B Vitamins** has been added to help boost natural cellular repair. Include Energy in your daily nutrition for a healthier you."

Very truly yours,

MASON VITAMINS, INC.
